

<p style="text-align: right;">Page 6</p> <p>1 Q. I hope the program, helping you get used to it, works. 2 Good luck with that. 3 How are you doing in school? 4 A. Good. 5 Q. What kinds of grades are you getting? 6 A. As and Bs. 7 Q. What's your favorite class? 8 A. Spanish. 9 Q. All right. What class do you hate, if you hate one? 10 A. Math. 11 Q. You hate math? 12 A. Yes. 13 Q. Can you still do it, though? 14 A. Yes. 15 Q. All right. Now, you heard me ask a whole lot of 16 questions of your brother about what happened. 17 A. Yeah. 18 Q. I want to ask you questions about what happened, but I 19 want to tell you why, because I already know what your 20 mom said and what your brother said. I want to know 21 what you saw. You see what I'm saying? I don't want 22 to know what your brother told you happened to him. I 23 don't want to know what your mom told you happened to 24 her. I only want to know what you saw, what you 25 remember seeing with your own eyes and hearing with</p>	<p style="text-align: right;">Page 6</p> <p>1 Q. Okay. There were four guys? 2 A. Uh-huh. 3 Q. Yes? 4 A. Yes. 5 Q. Were all four of them white? 6 A. I only think one of them was black, and he was 7 standing in the corner. 8 Q. Three white and one black, with the black guy in the 9 corner? 10 A. Yes. 11 Q. Okay. Like, in the stairs, by the door? 12 A. Yeah. 13 Q. All right. Then what did -- what did -- what happened 14 next, after they came in? 15 A. Well, my mom stopped cooking and jumped in the way and 16 came between the guy and my brother, and they kept 17 trying to push her out the way and get to my brother 18 and kept saying, "Shut up. We just want the boy." 19 And then that's when I seen them hit my brother with 20 the flashlight. And then I just walked away and just 21 went in my room, trying to figure out what was going 22 on. 23 Q. That was scary, wasn't it? 24 A. Yes. 25 Q. Did you walk or did you run?</p>
<p style="text-align: right;">Page 7</p> <p>1 your own ears. 2 Do you understand what I'm saying? 3 A. Yes. 4 Q. We call that personal knowledge as lawyers. Okay? 5 A. Okay. 6 Q. Because that's what's important to me is what you saw. 7 Okay? And find out what happened to you. Okay? 8 A. Okay. 9 Q. So you were in the house, I assume? 10 A. Yes. 11 Q. Where were you? 12 A. I was just walking out the bathroom and going into the 13 kitchen, and my brother came in the house. 14 Q. So you saw him run in the house? 15 A. Yes. 16 Q. How did his face look to you? 17 A. Terrified. 18 Q. Yeah. Then what happened? 19 A. And then a couple of seconds later, I seen four guys 20 come into the house. 21 Q. Okay. What did you do? 22 A. I was just nervous, standing there, trying to figure 23 out what was going on. 24 Q. So you -- you stood there and watched what happened? 25 A. Yes.</p>	<p style="text-align: right;">Page 9</p> <p>1 A. Walk. And then I went back in, and I seen my brother 2 on the ground. 3 Q. Was he on the ground in the kitchen? 4 A. Yes. Well, he was in between the stairs in the 5 kitchen. 6 Q. Okay. 7 A. And a guy put a gun to his head and said, "Don't 8 move." And then I just walked away. And my little 9 brother came down the stairs to go to the bathroom, so 10 I just went with him. 11 Q. Did you go in the bathroom with him? 12 A. Yeah. 13 Q. Okay. 14 A. And then when I came back out, they wasn't in the 15 house, but I just heard, like, fighting outside, like 16 they was trying to get out of the way and stuff. And 17 then I just took my little brother, when he was done 18 in the bathroom, and took him to my brother's room, 19 because that's the farthest room from the kitchen, and 20 I just put him in there and closed the door and turned 21 the TV on. 22 Q. And then what happened? 23 A. And then I just -- since my room is right next to the 24 backyard, I just looked out the window, and I seen my 25 mom on the ground, fighting with this other guy, and</p>

Page 10

1 then my brother was sitting up, like, handcuffed.  
2 Q. Was your mom handcuffed at that point, or no?  
3 A. No.  
4 Q. And then what happened?  
5 A. And then I seen a guy punch my mom right in her jaw,  
6 and then he handcuffed her and pepper-sprayed her.  
7 Q. What hand did he use to hit her in the jaw?  
8 A. Right.  
9 Q. His right hand?  
10 A. Yes.  
11 Q. And where on his -- where on your mom's face did he  
12 strike?  
13 A. Over here.  
14 Q. On the right side?  
15 A. Yes.  
16 Q. Like there?  
17 A. Uh-huh.  
18 Q. Okay. And then what happened?  
19 A. And then I guess I went back in my room with my little  
20 brother. And then I walked back out and I heard my  
21 mom holler, "Call the police." And someone told her  
22 that "We are the police," like in a chuckling way.  
23 And then I went anyways, and there was a black lady on  
24 the phone, and she said they was on their way and kept  
25 telling me to calm down. And then my mom told me to

Page 12

1 Q. And then what happened?  
2 A. And then they asked if we was okay before they went  
3 outside.  
4 Q. Meaning you and your brother, your little brother?  
5 A. Yes.  
6 Q. What did you tell him?  
7 A. Yes.  
8 Q. Okay. And then what happened?  
9 A. And then I didn't really know what happened, because  
10 they was outside and I was still in the house, just  
11 nervous, pacing around.  
12 Q. Yeah.  
13 A. And it was around 9 o'clock. So, then, like, 20  
14 minutes later, they came in the house, my mom and my  
15 older brother, and my mom was crying and my older  
16 brother was just nervous.  
17 Q. And then what happened?  
18 A. And then we didn't eat. We just left right out and  
19 went to the hospital.  
20 Q. Did you -- go on.  
21 A. And then we wasn't sure to go outside, because my  
22 older brother said it might be a trap; they might be  
23 still outside. So we really wasn't sure.  
24 Q. Was this before you went to the hospital?  
25 A. Uh-huh.

Page 11

1 call my grandma and my grandpa, and, so I did, but  
2 both of them, they didn't answer.  
3 Q. Okay. When your mom got hit, was she sitting on the  
4 ground or standing up or lying down?  
5 A. Lying down.  
6 Q. Was she lying down on her back?  
7 A. Yes.  
8 Q. So she was laying on her back with her face pointing  
9 towards the sky?  
10 A. Yes.  
11 Q. Okay. After you called your grandma and grandpa and  
12 there was no answer, what did you do?  
13 A. I just walked back to the kitchen to see if they was  
14 still outside or in the house. They was still  
15 outside, and I heard crying. So I really didn't know  
16 what happened, why she was crying, so --  
17 Q. Your mom?  
18 A. Yes.  
19 Q. And then what happened?  
20 A. And then they -- when the other police rang the  
21 doorbell, and I wasn't sure to answer the door,  
22 because I didn't really trust them, but I did, and  
23 they just walked through the house and went straight  
24 to the back door, and I wished they went around the  
25 house.

Page 13

1 Q. Okay.  
2 A. And, so, we just hurried up and got in the car, and we  
3 just left and went to the hospital.  
4 Q. Had you seen any counselors or therapists or doctors?  
5 A. Yes.  
6 Q. Okay. Who have you seen?  
7 A. Gayle.  
8 Q. Gayle Powell --  
9 A. Uh-huh.  
10 Q. -- you think?  
11 A. Uh-huh.  
12 MR. HUGHES: Yes?  
13 BY MR. GOLDSTEIN:  
14 Q. Is that a yes?  
15 A. Yes.  
16 Q. All right. What do you talk with Gayle Powell about?  
17 A. Well, I talk with her about what happened, and it kind  
18 of helped me through this, and it keeps on going over  
19 and over again, because it, like, helped me out.  
20 Q. How does it help you, do you know?  
21 A. Because I'm not, like, holding my feelings inside of  
22 me, and I'm just getting them out.  
23 Q. Are you having anything like nightmares, like your  
24 brother has had?  
25 A. Yeah. Sometimes I'm having nightmares and flashbacks

Page 14

1 for no reason. It just automatically comes.  
2 Q. Does something trigger the flashback or nightmare, or  
3 does it just happen by itself?  
4 A. It just happens.  
5 Q. Like how often?  
6 A. I just had a flashback or a nightmare about -- last  
7 month.  
8 Q. Okay. Does it happen about, you know, once every  
9 other month or once every month or every day?  
10 A. Once a month.  
11 Q. Do you keep a diary or anything?  
12 A. Yeah.  
13 Q. Do you write about it in your diary?  
14 A. Sometimes.  
15 Q. And sometimes you don't?  
16 A. Uh-huh.  
17 Q. Is that a yes?  
18 A. Yes.  
19 Q. What bothers you the most about what happened?  
20 A. What bothers me the most is that I didn't know what  
21 happened. They automatically came in the house, and  
22 it was for no reason, because I know my older brother  
23 didn't do anything wrong, so I really didn't know why.  
24 They just came in the house, and I didn't even know  
25 they was real police.

Page 15

1 MR. GOLDSTEIN: All right. I don't have  
2 any other questions.  
3 EXAMINATION  
4 BY MR. HUGHES:  
5 Q. Do you remember how the -- when the first people who  
6 came to the back door, how they were dressed?  
7 A. Yeah. They had white T-shirts and Army pants.  
8 Q. Did you see anything on their shirt or on their pants  
9 that said "police"?  
10 A. No.  
11 Q. How long of a time did you have to -- and I know you  
12 weren't looking at your clock or your watch, but about  
13 how long do you think you were able to see the police  
14 officers who were at the back door?  
15 A. Probably about 15 minutes. Fifteen.  
16 Q. About 15 minutes?  
17 A. Uh-huh.  
18 Q. I'm talking about when you first saw them, where  
19 they're coming through the door.  
20 A. Yeah. It was about 15 -- 15 minutes.  
21 Q. Before the whole thing was all over?  
22 A. No. It was about an hour for about the whole thing.  
23 Q. Okay. All right. But you didn't see anything that  
24 said "police." Right?  
25 A. Yes. I didn't see anything that said police.

Page 16

1 Q. All right. When they first came through the door, did  
2 they say anything about them being the police?  
3 A. No.  
4 Q. Do you remember calling your mom? You said your mom  
5 asked you to call 911. Right?  
6 A. Yes.  
7 Q. Okay. Do you remember calling more than once?  
8 A. No.  
9 Q. You just remember calling once?  
10 A. Yes.  
11 Q. Okay. Do you remember what you told them?  
12 A. Yes. I told them that there was some guys that came  
13 to my house and took my mom and my older brother, and  
14 I didn't know if they was police or not.  
15 MR. HUGHES: Okay. All right. All right.  
16 I don't have any other questions. Thank you.  
17 MR. GOLDSTEIN: No questions.  
18 (The deposition was concluded at 2:42 p.m.  
19 Signature of the witness was not requested by  
20 counsel for the respective parties hereto.)
